- Inventions and discoveries
What Do You Know about the Amazing Americas?

The Americas are two separate continents:

What is a continent?

A large landmass made up of many countries.
Can you see the separate countries that make up North America? Using an atlas, can you name the all countries in North America? How many are there? Some below Mexico are very small! Look closely!
Using an atlas, can you name the countries shown on the map?

What do you know about the Falkland Islands?

There are three dependent territories of the UK in South America. Can you find and name them?
Map of the Americas

Complete the **Map of the Americas Activity Sheet.**

Use an atlas to help you.

**Challenge:** Can you mark on key mountain ranges, rivers, other countries and cities?
